## II. New user

“Sign up” with this Registration.

You have to do this if you are going to use QuizStar to take any quizzes.

This will let you set up a place to view quizzes for all your classes.

**Student Registration**

Enter your personal information in the form below. If you forget your password you can contact your instructor to have your password reassigned. *(Please do not enter personally identifiable information for the student's profile. You can enter the First Initial and Last name if you think it is not personally identifiable. Most teachers make up names for their students.)*

Enter your information

First Name: <input type="text"/>	Enter your first and last name.
Last Name: <input type="text"/>	
Username: <input type="text"/>	Create a unique Username used every time to login to QuizStar
Create Password: <input type="password"/>	Use a password that is easy for you to remember but that is secure from other people.
Re-type Password: <input type="password"/>	

**NOTE - your instructors are able to change any of your profile information at any time.**

Register Cancel

Make sure your "Username" is something that you will remember.

But don't worry. If you forget your user name and password, your teacher will be able to help you once you have registered for a class.

Select "Register" after the form is complete.

**Student Registration**  
Enter your personal information in the form below. If you forget your password you can contact your instructor to have your password reassigned. *(Please do not enter personally identifiable information for the student's profile. You can enter the First Initial and Last name if you think it is not personally identifiable. Most teachers make up names for their students.)*

Enter your information

First Name: yourfirstname	Enter your first and last name.
Last Name: yourlastname	
Username: somethingunique	Create a unique username used time to login to QuizStar
Create Password: ****	Use a password that is easy for remember and is secure from people.
Re-type Password: ****	

**NOTE - your instructors are able to change any of your profile information at any time.**

Submit when you are done. → Register Cancel

Make sure to write these somewhere for a reference.

*We will not give your information to anyone.*

### III. Registering for a Class

This is the first page you will see after you register. You will know it is your page because it will show your first and last name.

This is your "Classes" page. All the classes you are registered for will be listed here.

This page will be *empty* until you locate and register for a class. After you register for classes they will be listed on this page.

Select the "Search" tab to locate and sign up for a class and quiz. Your teacher will let you know how to search for a quiz assigned to your class.

Creating a Quiz (3)	Always Active	Always Active	4	- -	Take	Review

The orange row is a list of untaken quizzes.

Select "Take" to go to a specific quiz for a cla

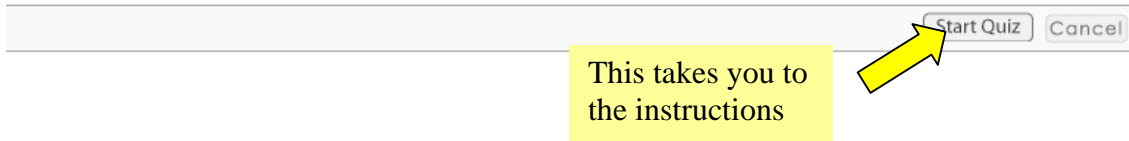

This will take you to a specific quiz.

Read this note and then select "Start Quiz."

**Start Quiz Confirmation:**

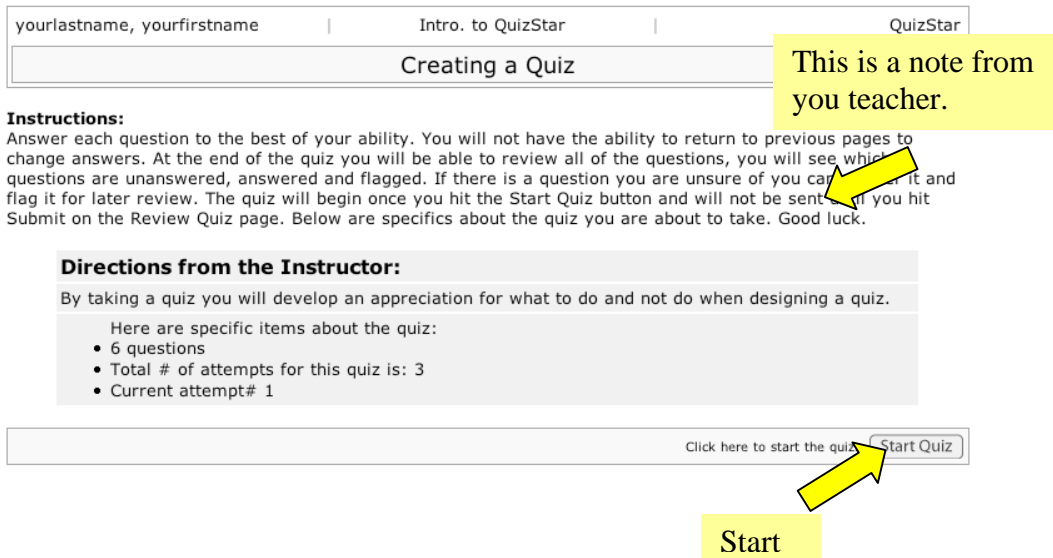

You are about to begin taking a quiz. To proceed with this click the Start Quiz button. If you are not ready to begin the quiz simply click Cancel and you will be taken back to the previous page.

From this page you will be directed to the Quiz Directions page where you will receive directions about the quiz you are to take. If it is a timed quiz, the timing will not start until you click Start Quiz from the Directions page.

Read these instructions from your teacher. They will be different for each quiz.

Select "Start Quiz."

Once you get to the quiz start reading and answering the questions.

The answer options may be true/false, multiple choice, multiple answer, or fill in the blank.

The teacher decides how the quiz will appear - as well as the content.

2. How much time do you think you should spend in the creation of an individual question in a quiz?

1

pts.

- A. Less than a minute
- B. Two to five minutes
- C. Ten minutes

Flag this question for later review

Choose all that Apply

3. Which of the following media is/are best viewed through this software?

1

pts.

A.

B.

[Back to Top](#)

## V. Viewing your results

At the end of a quiz you will see this bar.

This bar appears at the end of the test. It will take you to a summary

Select "next page" to go to a summary page.

You will be able to review all of your answers at the end of the quiz. [next page](#)

This summary page shows you the status of each question. It lets you know if you answered a question, left it blank, or flagged it for review.

It will also let you go to the question and change your answer.

yourlastname, yourfirstname	Intro. to QuizStar	QuizStar
<b>Creating a Quiz</b>		

Directions:

1. Review the quiz questions listed below marked as incomplete or complete and flagged. Now is the time to change or update any of your responses.
2. To edit the answer to a question find the question you wish to change and click the "change answer" button inline with that question.
3. When you are satisfied with the selected answers hit the submit button to send your quiz. You will not have another chance to edit your responses to this quiz after you hit submit.

<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	incomplete	complete	flagged	question:
1.	<input type="radio"/>	<input checked="" type="radio"/>	Are you able to view this image. If so, describe it.			<input type="button" value="change answer"/>
2.	<input checked="" type="radio"/>	<input type="radio"/>	How much time do you think you should spend in the creation of an individual question in a quiz?			<input type="button" value="change answer"/>
3.	<input checked="" type="radio"/>	<input type="radio"/>	Which of the following media is/are best viewed through this software?			<input type="button" value="change answer"/>
4.	<input checked="" type="radio"/>	<input type="radio"/>	What type of questions do you think are best presented in a web environment?			<input type="button" value="change answer"/>
5.	<input type="radio"/>	<input checked="" type="radio"/>	Do you think media should be used? If so, any particular type?			<input type="button" value="change answer"/>
6.	<input checked="" type="radio"/>	<input type="radio"/>	Pick out my daughter.			<input type="button" value="change answer"/>
<small>Hit the submit button when the quiz is complete. There will not be another opportunity to edit the answers to this quiz attempt after the quiz is submitted.</small>						<input type="button" value="Submit Quiz"/>

Once you select "Submit Quiz" you will receive a confirmation page that shows you the date and time of your submission. Then you are done!

From here you can go to your class page or review the quiz.

## VI. Help

If you need help at any time select the "help" button.

This provides you with definitions for each of the icons and directions.

The screenshot displays a web interface for quiz management. At the top, there is a section titled "Expired Quizzes" with a yellow header. Below the header, a message states "There are no Expired Quizzes to review." To the right of this message are "Take" and "Review" buttons. A yellow arrow points to a "Help" link in the top right corner of the interface.

Below the "Expired Quizzes" section is an "Icon Legend" section. It lists four quiz types: "Untaken", "Started", and "Expired". Each type is accompanied by a small icon. Below these are four detailed entries, each with an icon and a title:

- Take Quiz**: Locate the quiz title you wish to complete, then follow the row across to the right and click the button to begin the quiz.
- Review Quiz**: Review your performance from most recent attempt, quizzes are able to be reviewed inbetween attempts, at the completion of your total allotted attempts, when the class has expired the quiz or when the time for taking the quiz has expired.
- Unable to Review Quiz**: The quiz is either unable to be reviewed inbetween individual attempts or the entire class has not expired the quiz. Finish the number of attempts you have, or after the class to finishes you will be able to review the quiz.
- Complete Quiz**: The time to take the quiz is over. You have either expired the maximum number of

To the right of the "Icon Legend" is a "Directions" section. It contains three numbered steps:

- To take a quiz**, find the quiz title then follow the row across to the right until you locate a button that says Take that looks like this . With your mouse click on that button. This will direct you to the page where you receive directions about the particular quiz you about to take. If this is not the quiz you wish to take you have the ability to Cancel with out affecting the performance of that quiz.
- After you have expired the **quiz attempt** you may have the ability to take the quiz again, depending upon the number of attempts your instructor has given. The number of attempts are displayed next to the quiz title in parenthesis.
- To review the quiz**, simply click on the Review Quiz button inline with the quiz title that looks like this . If for some reason you are not able to review this quiz, there will be an icon that looks like this

[Back to Top](#)

## VII. Logging-out

If you are finished, don't forget to log out...

This will make sure your answers are saved and that no one can change your information.
